

# Adasio™ Performance Alfalfa

## Alfalfa Hay - Bales

### Performance Beef

Adasio Performance Alfalfa is an important part of the Adasio Feeding Program that puts more weight on your cattle in a shorter time. Whether your cattle are breeding, weaning, maintaining or finishing, our feeding programs are right for you. Adasio Feeding Programs can help you minimize costs and bring your cattle to market quicker.

Adasio Corp is known for its high quality crops grown under an environmentally protective water conservation program in the U.S.A. This sustainable agricultural practice provides a rich supply of organic nutrients to the fields producing high feed value alfalfa hay. No chemical fertilizers are ever applied or needed.

Alfalfa Hay Bales

#### BEEF STEERS

If possible to feed separately from dam, early nutrition will support growth, rumen development and early weaning. Alfalfa provides high quality protein, minerals and digestible fiber. Improved nutrition in early life stages can lead to better growth and early reproductive maturity in heifers.

Body Weight	Expected 2 to 3 lb gain/day avg.	Adasio Hay* lb/day	Silage & Adasio Hay** lb DMI/day
300	need data	4 to 4.5	2 to 2.25
400	need data	5	2.5
500	need data	6	3
600	need data	7	3.5
700	need data	8	4
800	need data	9 to 10	4.5 to 5
900	need data	10 to 11	5 to 5.5

\*With Adasio contributing ½ of DMI, local forages other ½.

\*\*With Adasio contributing ¼, local silage ¼ intake, and local forages ½ of DMI.

#### BENEFITS

- Lower cost to market
- Better lactation for calves
- Tender forage for quicker weaning
- More weight gain per day
- Better quality meat
- Better bull performance
- Highest profits

#### INSPECTED & CERTIFIED

- Insects are controlled by careful harvesting and inspection techniques
- USDA inspected before shipment

#### ADASIO™ PERFORMANCE

##### Alfalfa Hay - Bales

###### Certified Field R1-5B

###### Guaranteed Analysis

Protein .....27% min. (dry)  
 Acid Detergent Fiber.....28% min. (dry)  
 Neutral Detergent Fiber .....32% min. (dry)  
 Total Digestible Nutrients.....69% (dry)  
 Relative Feed Value.....195  
 Moisture.....13% max.

###### Ingredients

Alfalfa (Medicago sativa)  
 Quality: Supreme

#### ADASIO™ PERFORMANCE

##### Alfalfa Oats - Bales

###### Certified Field R13-2

###### Guaranteed Analysis

Protein .....23% min. (dry)  
 Acid Detergent Fiber.....30% min. (dry)  
 Neutral Detergent Fiber .....40% min. (dry)  
 Total Digestible Nutrients.....69% (dry)  
 Relative Feed Value.....151  
 Moisture.....9% max.

###### Ingredients

Alfalfa and Oats, Field Grown (Medicago sativa, Avena sativa). Quality: Supreme

#### INSTRUCTIONS

Before you start any feeding program, contact your Adasio Representative. A review of your current feeding program is highly recommended to achieve the best performance.

- Keep hay bales dry
- Examine hay bales weekly for signs of deterioration
